Tourney at Daly's. A 14-inch balk-line tournament with four amateurs entered was begun last night at Duly's Broadway Academy. The players last night were William Gerschel and J. B.

C. McKee. The latter was in poor form and in poor luck, and Gerschel won easily, improving as the game progressed Closeness and small counting marked the earlier innings. The buttons went up in small batches on the string and there was only one double-figure session in the first fifty of each of the players. Gerschel gath-

The first game in the match between Willie Hoppe and Frank S. Barten, who are playing 1.500 points, 300 cach each night, wasplayed last night at Green's Montauk rooms in Brooklyn, and resulted in a victory for the young billiard wonder. GOOD RACING AT NEW ORLEANS

NELLIE WADDELL WINS HANDI-CAP IN SMART STYLE.

Nyx a Sensational Winner at Odds of 100 to 1 -Talent Has a Bad Day, as Only Two Favorites Finish in Front-Jockey Lucien Lyne Will Not Ride for Schorr.

NEW ORLEANS, Jan. 6 .- The track was at its best this afternoon. The weather was cool and bracing and a large crowd was present. The programme of the day was a good one and the races were good. The feature of the afternoon was the six-furlong handicap. Of the twelve carded to start only five accepted the issue. A number of owners entering their horses expecting rain caused the wholesale scratching. Nellie Waddell, the speedy Chicago filly, was made the favorite at s to 5, while Steve L'Homme-dien's St. Cuthbert was the second choice at 13 to 5. The five were sent away to a good start with Kaloma, the Texas colt, off in front. Nellie Waddell raced into the lead before the first quarter was reached and remained there to the end, winning in a hard drive from Semicolon by half a length. St. Cuthbert was third, two lengths away.

only two choices managed to get home in front. Steve L'Hommedieu, the plunger. and his trainer. Ed Trotter, have separated. The cause of the trouble is not known, as neither L'Hommedieu nor Trotter will talk of the matter. It is said, though, that the break was on account of the inconsistent running of The Rush, who caused the suspension of Trotter two weeks ago. On Saturday Trotter turned The Rush, St. Cuth-bert and a couple of two-year-olds over to bert and a couple of two-year-olds over to L'Hommedieu and told him to secure another trainer. Jockey Lucien Lyne, who was supposed to have been signed by Brewer Schorr of Memphis on Saturday, said to-day that he did not sign with Schorr for next season and neither would he. Lyne will in all probability ride for John E. Madden in New York next summer. Fizer & Co. to-day closed up the deal for the services of Jockey T. O'Brien. William Daniels agent for Tichenor & Co. of Chicago, handed over a check for \$5,000 for the contract of O'Brien to the head of the Nashville racing form.

ALBANY, Jan. 6.—The Metropolitan Turf Club was incorporated to-day with principal office in New York city. The purposes are social. The directors are Edward Burke, Edward N Marks, Charles E White, Joseph H. Vendig, R. E. Aitken, Orlando A. Jones and Charles Heineman of New York city.

John A. Brake, the Chicago millionaire. Handicap to be run at Sheepshead Bay on Saturday, June 14, were announced by the Coney Island Jockey Club yesterday. There are fifty-seven eligibles, including nearly all of the thoroughbreds nominated H. Vendig, R. E. Aitken, Orlando A. Jones and Charles Heineman of New York city.

John A. Drake, the Chicago millionaire, for whom Enoch Wishard will train this year, has just purchased the celebrated three-year-old colt, Runnells, by Charade—Zingara II., from T. P. Hayes, for \$13,000.

Word comes from Chicago that Clarence H. Mackay has made an offer of \$20,000 to S. C. Hildreth for the latter's colt McChesney, who made a fine record as a two-year-old. The epidemic of grip which has been raging at W. C. Whitney's Long Island stock farm is under control and all of his horses, including King Hanover. Metalbert, Blue Girl and others, are rapidly getting well.

MEMPHIS, Jan. 6—At the annual meeting of the New Jockey Club, which controls Montgomery Park, this afternoon, the old Board of Directors was reclected, with the exception of Gen. S. T. Carnes, who could not serve longer. Major E. E. Wright was chosen to fill his place. The directors are: John Armistead, O. H. P. Piper, George Arnold, James H. Rees, R. T. Cooper, Kennedy Jones, E. E. Wright, F. G. Jones, R. B. Snowden, Napoleon Hill, J. M. Peters, C. H. Raine, S. R. Montgomery, R. Brinkley Snowden, and John W. Schorr. President S. R. Montgomery continues at the head of the organization, F. G. Jones is Vice-President and M. N. MacFarlan Secretary. for the Brooklyn Handicap and a number of others notable for past performances. Clarence H. Mackay, as in the Brooklyn, has the largest number of representatives. He has named Banastar, His Eminence, Kamara, Trigger and Heno. Mr. Mackay purchased Heno from John E. Madden just before the Futurity for more than \$30,000, it was said. The colt was green in that race and did not come up to expectations, but in the Dash Stakes, run a few days later, Heno defeated a good lot of two-year-olds, including the fast filly Leonora Loring. Then Heno was matched against the champion filly Endurance by Right in what was called the Third Special The event was decided at Gravesend, the distance being six furlongs. Endurance by Right led all the way and won ridden out, but without punishment, by a length, while Heno, under the whip for the last eighth, showed great gameness. At Morris onference Committee Submits Report on PHILADELPHIA, Jan. 6.—The Conference ommittee, which was appointed to revise

while Heno, under the whip for the last eighth, showed great gameness. At Morris Park a month later Heno was victorious in the rich Matron Stakes, incidentally administering a defeat to Yankee, who had not lost prior to that event. Because of this performance Heno was pronounced a remarkable racehorse and a brilliant future was freely predicted for him.

Willam C. Whitney's entries include not only Elkhorn, who has just returned from England, and Gold Seeker, but also Ballyhoo Bey, the winner of the 1900 Futurity, and Blue Girl, who captured a large share of the two-year-old stakes last season. Ballyhoo Bey was said to be a "roarer" last spring and was sent to the stud in Lexington, Ky. Since then it is reported that the son of Kingston has entirely recovered from the aliment and may turn out to be a high-class four-year-old. Blue Girl's development as a three-year-old will be watched with interest. Last year she was the best filly in training, barring Endurance by Right. J. B. Haggin has entered the noted Watercolor, who was at the top of the three-year-old class during the past campaign. Firsh Farrell's Blues and Bonnibert are also in together with Gen. F. C. McLewee's Gold Heels, the winner of the Woodlawn Vase, and J. G. Follansbee's Roehampton. Jacob Worth's fast gelding Oom Paul is in the list and J. E. Madden is represented by Pentecost. Slipthrift and Lanceman. The all-aged division is also mitch in evidence with Alcodo McMeekin, Advance Guard, All Gold Brigadier, Carbuncle, Dublin, Herbert vania Athletic Association, to-day submitted its report to Secretary Thaye.
